

Ocean Park Bungalow Meets Eric Lloyd Wright

635 Ashland Avenue
Santa Monica
3 Bedrooms, 1.75 Bathrooms

Offered at
\$1,589,000

This California style Bungalow on a large elevated lot features a newer kitchen and bath with a huge, sunny, and grassy backyard. The approximate lot size is 5,650 ft².

Eric Lloyd Wright, a pioneer of organic architecture, designed the rear structure with two room office, plumbing, polished concrete floors with radiant heat, copper barrel style roof.

Side driveway fits three vehicles. Existing plans are available for remodeling front house.
